AN ENGINEERING MASTER PIECE
During the construction phase...
Dubai, United Arab Emirates

All finished. Notice the size of the palm trees outside...Can you guess what it is?

Remember, this is in the middle of the desert...The very HOT desert where temperatures get up to 120 degrees...
Unbelievable!
But true...
It is a self contained Ski Resort..The INSIDE view:

Why is gasoline over $3.25 a gallon for regular unleaded?
So they can ski in the desert, that's why!

Are we stupid or what ?
