# The Lord of the Rings

- Tony Scarbella

**T**HE ONION rings at **LIAM'S AT NAUSET BEACH** on Cape Cod aren't really onions, or rings, or food. They are sacraments. It all begins with very sweet onions that are then transformed into "World-Famous Homemade Onion Rings," as they are called by immodest proprietor John Olman. The result is a thin crust, sort of a tempura, Yan-

kee-style. Incidentally, Nauset Beach is considered by many the most majestic of all Cape Cod beaches. *Liam's at Nau-*
